What is the purpose of this form?

On December 23, 1997, the President of the United States granted certain Haitian nationals protection from removal from the United States until December 22, 1998. This is referred to as Deferred Enforced Departure (DED). The President also directed that these Haitians be granted employment authorization for the same time period. This is referred to as DED-related employment authorization.

This supplemental form allows Haitians to apply for DED-related employment authorization. This form must be filed with Form I-765, Application for Employment Authorization, and the evidence and documentation listed below, if available. The Form I-765, item # 16, should be filled in "(a)(11)" to indicate that you are filing for DED-related employment authorization.

Who is eligible for Haitian DED-related employment authorization?

With certain exceptions, the eligible class for Haitian DED-related employment authorization consists of Haitian nationals who:

- (1) filed for asylum before December 31, 1995, **OR** were paroled into the United States before December 31, 1995, **AND**
- (2) have been continuously present in the United States since that date.

An alien meets the asylum filing requirement if such alien was included in an asylum application filed before December 31, 1995, by his or her spouse or by his or her parent while he or she was unmarried and under the age of 21.

For Haitian DED-related employment authorization eligibility, "continuously present" is defined to mean no absences from the United States after December 31, 1995, or if there were absences from the United States since that date:

(1) the total time period of such absences does not exceed 180 days; **AND** (2) for each absence the Haitian either returned to the United States with advance parole or was inspected and admitted to the United States.

What documentation should you file with this supplemental form?

You must submit two photographs meeting the specifications described in page four (4) of the instructions of the Form I-765, Application for Employment Authorization. Applicants must submit **a copy** of the documents requested below, if available. For purposes of simplification, this section includes the photographs and all relevant documents requested on pages two (2) and four (4) of Form I-765. You should only submit the requested materials once and not duplicate I-765 requirements. Submission of copies of the documents may speed the processing of your application and may eliminate the need for a personal interview. (However the two (2) photographs **must** be submitted).

- Form I-94, Arrival/Departure Record
- Your last Employment Authorization Document (EAD Card).
- Any documentation you may have which was issued by the INS evidencing that you were parolled into the United States before December 31, 1995, or filed an asylum application before December 31, 1995.
- If no EAD is available, submit any other photo identity document issued by a governmental entity. Prepare a copy with the clearest facial image possible. Examples include the photo page of your passport, your state driver's license or identity card, or school identification card.
- Any documentation you have to establish that you are a citizen or national of Haiti.

Every applicant must file his or her own I-765 application. All approved applicants will receive an employment authorization document (EAD) as proof of employment authorization.

Employment authorization is a benefit granted for a limited period of time to correspond with the authorized period of DED. It does not establish eligibility for permanent residence in the United States.

[Note: An EAD is issued to a variety of qualifying aliens to evidence their eligibility for employment. The EAD may also be used as evidence that INS has allowed the holder to remain in the United States for a specific period of time. Thus, an EAD may be issued to a person for whom employment is not a legal option, such as a minor child.]

What is the filing fee for the Form I-765 filed jointly with this supplemental form?

There is no filing fee for the I-765 filed for Haitian DED-related employment authorization (except for a replacement document).
